Miners' Monument

June 7, 2007

A landscape photograph showing a dirt road winding through a field of scrub brush. In the background, there are rolling hills or mountains under a clear sky. The text is overlaid in the center of the image.

**Rich Hall came to WMEA from
vacation in his home state of
Pennsylvania**

On the way into Pennsylvania from West Virginia on I-79, there is a monument to miners at the Pennsylvania welcome center.

**Each of us should work every day
in surface or underground mines
in ways that will avoid the need to
any more monuments to lost
miners.**
